The Purple and the Gold

by

Barbara and Joyce Hamilton

Purple shadows of the night all the world enfold.
Golden stars send forth their light for the Purple and the Gold.
All hail, all hail to Ypsi High,
Your honor we'll uphold.
We'll ne'er forget our memories of the Purple and the Gold.

Golden fields of waving grain, purple mountains high
All join in the glad refrain of praises to the sky.
All hail, all hail to Ypsi High,
Your honor we'll uphold.
We'll ne'er forget our memories of the Purple and the Gold.
